PORTFOLIO SUMMARY

Riya Sharma — Computer Science Student

Online Presence

GitHub	github.com/riyasharma — 14 public repositories
LinkedIn	linkedin.com/in/riyasharma-dev
Portfolio Site	riyasharma.dev
LeetCode	260+ problems solved, max rating 1620

Featured Work

- **Food Delivery Platform** — full-stack React + Spring Boot application with 8-table MySQL schema.
- **Student Result Management System** — Java/MySQL desktop app used in a 3-person team project.
- **DSA Notes Blog** — ongoing series of short write-ups on data structures topics.

Achievements

- Finalist, college-level 24-hour hackathon (2025) — built a campus lost-and-found app.
- Volunteer coordinator for a 200-student technical fest (2024).
